

BH&G LOVES

Splurge

Take this chair home for ₹38,000. For more info, visit alankaram.in.

WEAVES OF TIME

Alankaram design studio focuses on custom-made furniture that is characterised by different colours. One such product is their Puoli chair, made with two semi-circular halves and upholstered with a traditional and vibrant fabric. Just as perfect for the living area as it is for the lounge, this is the ideal bright accent to liven up any space.
